

## Notice

Dear Parent,  
**Salam!**

You are hereby informed that due to an unprecedented spike in covid-19 cases and the State Government's Circular on partial lockdown, the School Office will function online in the office hours from Monday 3rd May 2021 until further notice.

Parents visiting School Office must take an appointment in advance and visit only on the appointed day.

We are available on call and email in the office hours and we encourage and request you to communicate with us through the same.

Third party services for books and uniforms are also available online.

Online classes will continue as per the daily schedule.

We pray for the well-being of your ward and your entire family.

Please take care and stay safe.  
**Thank you.**

**Principal**
