Notice for Study Leave & Winter Vacation

JIS/CIR/82/2022-23

Dear Parent,
Salam!

You are hereby informed that Study Leave and Winter Vacation for the students of Class-X start from Monday 19th December 2022.

We wish to inform you that the Council for Indian School Certificate Examination has already published the date sheet for ICSE 2023 and based on the date sheet we have planned the schedule for the Orientation Examination for your ward which has already been shared through the school application and also on your personal number.

It is, therefore, important that the students get appropriate self-study time before the Orientation Examination which is scheduled to start from 5th January 2023.

The admit card for Orientation Examination will be issued on 3rd of January 2023 from the Office Desk subject to clearance of school fee (and Transport Fee if applicable) and submission of Mathematics Project (and other project/s if not submitted).

Students are advised to check the school application for necessary notes, video explanation or lectures for subjects where reinforcement is thought necessary.

We request for your prayers for all our students for their well-being and success in their Orientation Examination and the following ICSE 2023.
